

If you have received an acceptance notification, kindly make the necessary revisions based on the reviewer comments and upload your camera-ready paper before the submission deadline on **10th November 2025** via the following link: (<https://icac.lk/for-authors-2025/>)

Please note that the camera-ready submission portal on CMT will be available starting from **22nd October 2025**.

Camera-ready Submission Guidelines for Authors:

1. Please check the reviewers' comments for your paper through the Microsoft CMT system. The authors are expected to address all reviewer comments and change the paper accordingly. (Please note that you are **not** allowed to make major structural changes to the accepted paper).
2. Paper title, author names, affiliations (including supervisor names and affiliations) must be in the correct format (refer to https://ieeauthorcenter.ieee.org/wp-content/uploads/IEEE_Style_Manual.pdf).
3. Authors can get the IEEE templates (both MS Word and LaTeX templates) and instructions from <https://www.ieee.org/conferences/publishing/templates>
4. The abstract should be limited to 150–200 words, and a maximum of 4–5 keywords should be provided along with the abstract.
5. Please make sure all your references/sources are cited/referred using IEEE referencing format (refer to <https://ieeauthorcenter.ieee.org/wp-content/uploads/IEEE-Reference-Guide.pdf>).
6. Paper should be proof-read thoroughly. Grammar and spelling mistakes need to be addressed and corrected carefully.
7. Figures and tables should be clear, readable, and the captions should follow the IEEE formatting guidelines (All figure captions are left-aligned in Times New Roman, black font, size 8, and all table captions are centered in uppercase Times New Roman, black font, size 8.) (refer to https://ieeauthorcenter.ieee.org/wp-content/uploads/IEEE_Style_Manual.pdf).
8. Please include the following copyright notice in the **footer (left-aligned) of the first page** as shown in the IEEE templates also:

979-8-3315-6222-9/25/\$31.00 ©2025 IEEE

9. Generate and validate your Camera-Ready PDF using IEEE PDF eXpress.

Creating PDF eXpress Account:

Log in to the IEEE PDF eXpress TM site (<https://ieee-pdf-express.org/>)

A. First-time users should do the following:

- i. Select the New Users - Click <https://ieee-pdf-express.org/>
- ii. Enter the following:
 - 69156X** for the Conference ID
 - your email address
 - a password
- iii. Continue to enter information as prompted.
- iv. An Online confirmation will be displayed, and an email confirmation will be sent verifying your account setup.

- B. ***Previous users*** of PDF eXpress need to follow the above steps but should enter the same password that was used for previous conferences. Verify that your contact information is valid.

10. Upload the **PDF eXpress generated camera-ready file (PDF file)** through the CMT system.

IEEE Electronic Copyright Service (eCF) Guidelines for Authors:

1. Make sure that the Paper Title and Author Names (including supervisor names) you input to eCF **match exactly** as they appear in your final camera-ready paper.

Conference Registration:

Please note at least one author must **register** for ICAC 2025 before the registration deadline (<https://icac.lk/registrations-25/>). Papers without a valid registration will not be submitted for publication at IEEE Xplore Digital Library.

(NOTE: IEEE has a strict policy on no-shows; one of the authors or their representative **MUST** present the paper at the event. Failure to do so will prevent the paper from being included in the conference proceedings).

We look forward to seeing you at ICAC 2025.

Best Regards
ICAC 2025 Publication Team
